

BRHS trip

July - Friday 15th - Trip to RHS Garden Bridgewater M28 2LJ

£11 (coach, entry and tour) £3 (driving yourself/entry/tour)

The former site of Worsley New Hall, by Salford’s Bridgewater canal, has been transformed into a spectacular 62 ha (154 acre) garden.

RHS Garden Bridgewater is a plant lover’s paradise and a perfect place for days out.

Using a thoughtful blend of heritage landscapes, contemporary and traditional garden styles, this horticultural treasure trove of impressive year-round colour and inspiration features one of the largest walled gardens in the UK, vibrant spring and summer colour in magnificent borders, a productive and beautiful kitchen garden, glasshouses and woodland and meadow walks.

There is a group tour booked for 12-1pm and another group for 2-3pm.

We will have a coach leaving from Church bus stop, top of Station road, Rossett at 10:00 and leaving the garden approx. 3:30.

If you wish to drive yourself, then please advise and meet us there for our **RHS Affiliated Society** group entry.

If you want to book your place please return the booking form below with payment.
